The Club will smooth all differences and will find an hearty secho in the mind of of 33 per cent in our money in circula- cause the whole party to work in every newspaper editor in New Mexico. harmony for the success of the cause. For when the majority rules, there is no excuse for the kicker kicking.

Chamberlain to the king, is the way that Mr Catron styles himself. Advisor Charley has always appealed to me as trouble has intensified it by absorbing and ho ther to Perca! Surely, an elevat. an articut, conscientions Republican and one, like our able Governor, who has ing occupation, and one that he would be a mind of his own, From the Santa Fe our commerce and hindering the quick doubtless feel pride in, were it so. But transportation of our foreign mails. We should be as independent on the sea as we are on the land. We can beat the we are on the land. We can beat the world in manufacturing and land transportation, but we lack the Incillies for transportating our goods by sea to for eigh buyers.

Exportations of manufactures will amount to \$490,000,000 in the fiscal year which ends with June next. When the Republican party came into power in 1861 and inaugurated the protective system as a permanent policy they were barely \$49,000,000 per annum. Then manufactures a mounted to 12 per cent of the total exports; now they form 30 per cent of the enormously increased total. Yet there are people who will as a last of the total. Yet there are people who will as a last of the last of the total exports; now they form 30 per cent of the enormously increased total. Yet there are people who will as a last of total. Yet there are people who will as a last of total. Yet there are people who will as a last of the total exports; now they form 30 per cent of the enormously increased total. Yet there are people who will as a last of total. Yet there are people who will as a last of total exports; now they form 30 per cent of the enormously increased total. Yet there are people who will as a last of total exports; now they form 30 per cent of the enormously increased total. Yet there are people who will as a last of the excellent reports he has made of the excellent reports he has a made of the excellent reports he has made of the excellent reports he has made of the excellent reports t per cent of the enormously increased total. Yet there are people who will gravely tell you that the country can never have a prosperous foreign trade down to their dictates.

Of Mr. Catton. There is nothing honorated as well as expressing the view of as well as expressing the view of every Republican, with a mind of his commonwealth at heart do not bow down in the territory. I wonder if Mr. Perea reallizes now that he is repudiated

There are certain articles, needed of what a rallway will not do when it slaughter? And I wonder, further, I by American manufacturers, that can finds that the people of the community the native vote of the territory will not be produced here. Their importa- are fighting it. A "sore head"town stand by a man like Perea who is enmeans lack of progress, and probably deavoring in every manner to discostly litigation. The railway was naseven months ending January 31st last. med for the town, and could have push-as compared with the corresponding ed through there, establishing shops, and the Philliplines, is incapable of self period a year earlier. This shows more etc., and furnishing a pay roll that government? If Peres has not been led would have lasted for all time. But a into an open pit by his chamberlain, few of the narrow-minded business men them I am a gosling. I really feel cularly interesting to note a decrease averred that the road was forced to pass sorry for the poor devil. He did not of upward of \$2,200,000 in our imports through Santa Fe. However, it did not know any better. He really had no of foreign wool, despite the higher price pass through, and but for the fact that mind of his own. it is the territorial capital, Santa Fe of that commodity. Protection is giving would today be little more than a way the American farmer another chance to station. There is a lesson here which tempting to prevent the creation of Mcsupply the American manufacturer with his raw material.

Money makes the mare go, and money more when the Democratic donkey is

Cleveland's last term:

1894, \$24.28; 1895, \$22.93; 1896, \$21.10.

Now watch it grow again while the Republican team of thoroughbreds—Protection and Prosperity—are in the traces:

1897, \$22.49; 1898, \$24.71; 1899, \$25.60. 1897, 822.49; 1898, 824.71; 1899, \$25.60. strayed from the Republican reserva-tion some time ago, could be, through the devious machinations of fate, in some manner again brought in contact Luna another debt of gratitude. When culation under Democracy, and up, up, with the common people, to whom he the North staked matters against South owes his great advancement, then the ern brothers, the Southern delegates territory could feel that its destiny was gave evidence that they were there and assuredly bright. Of these renegades!

Imported into the United Stated from Puerta Rico last year, and which the President proposes that we now return to Puerta Rico, amounted to over \$2,000.

This is a sing sum for the imported hand people of that island who are hangering for public schools for

Some days ago the Denver Evening In reviewing the statehood bill.
